We all know an in-depth Dependent Verification Audit can save thousands of dollars for your company in healthcare costs. We also know how expensive or time consuming one can be! It's as important as ever in today's economic times to control rising healthcare costs at the same time complying with Sarbanes-Oxley, ERISA and other State Law requirements. As time goes by, a dependent audit may become a critical component of your company's survival and success! Of all the companies offering dependent audits today, Healthpoint Audits is one of the few, if not the only company offering a NO COST solution to you in addition to the traditional per employee or percentage of savings formula offered by others. Healthpoint Audits works with the finest auditors in the marketplace today to complete your dependent audit. At the same time our benefit counselors offer 2 or 3 voluntary payroll deduction products to cover the cost! To learn more, give us a call!
